

JUST ANOTHER LYNCHING BEE IN THE SOUTH

TWO COLORED MEN AND ONE
NEGRESS ARE VICTIMS OF
MOB VIOLENCE.

MEMPHIS, Tenn., Feb. 16.—A mob early yesterday lynched an unidentified negro, accused of having attacked a 16-year-old white girl yesterday morning. It is said the negro confessed. A rope was tied about his neck and he was dragged to a bridge across a branch of Wolf river, hanged from the bridge and then the mob used his body for a target.

The attack on the girl occurred at Raleigh Springs, a Memphis suburb. Poses yesterday captured the negro. He was identified after being kept in hiding several hours to avoid delivery to the authorities.

MARSHALL, Texas, Feb. 16.—A mob lynched George Sanders and Mary Jackson, a negro and a negress, hanging them to the same tree, just across the Panola county line. It was learned here late yesterday. The negroes had lived at the same house with J. Sneed, the young negress who shot and killed Paul Strange, a white man, on January 29.

HIS TONGUE IS ALRIGHT, BUT HE CAN'T TALK

NEW YORK, Feb. 16.—Senator Moses E. Clapp had a long conference with Colonel Roosevelt here yesterday. He escaped the reporters and the Colonel declined to say what had been discussed.

"I have nothing to say on any subject," Colonel Roosevelt said.

He denied, however, the report that William Loeb, Jr., formerly his private secretary, would manage his political campaign. When asked if he would make a campaign the former president replied: "I have nothing to say."

RICH STRIKE AT LAS VEGAS MAY BE ONLY A MYTH

LAS VEGAS, Nev., Feb. 16.—P. Watelet, manager and local representative of the Southern Nevada Goldfield Mining company, yesterday morning issued the following letter which is inexplicable and casts suspicion on the whole affair, there being no apparent reason for either untruthful or conflicting reports or possible false reports:

"LAS VEGAS, Nev., Feb. 15.—Referring to the information I gave about the strike at the 800-foot level on the Southern Nevada Goldfield Mining company's property, I am sorry to let you know that last night I received a message from my foreman by which he let me know that after running some feet on the new vein of galena and gold quartz the vein pinched out. Therefore I ask you to cancel all my information without any exception concerning the new discovery on our property. You may publish this letter if you wish.

"Sincerely yours,

"P. WATELET,
"Manager S. N. G. Min. Co."

IMPROVEMENTS FOR SAFETY OF PATRONS

Manager Goodfriend is making still more improvements in the Nevada theater. The present work consists of cutting two more exits in the sides of the theater. Heretofore there has been five exits, but hereafter there will be seven, as follows: Two in front, two on each side, and one large one at the rear of the stage. In case of a fire a large audience can now leave the building almost instantly.

Harry J. Coogan, representing the Missouri Life Insurance company, is over from Goldfield and will remain in Tonopah for the next day or two. On Monday Mr. Coogan leaves for Carson City to be present at the opening of the special session of the legislature and will probably resume the position he occupied with that body at the last session, that of minute clerk of the senate.

GOOD PICTURES AT THE BUTLER

There will be shown four reels of exceptionally good pictures at the Butler theater tonight, consisting of two comedies and two dramas of merit. "For the Honor of the Family" is the title of the Vitagraph drama, in which there is a lesson for the entire family. This is the story of a young fellow in the English army protecting his sister against his superior officer at the cost of life and position. "The Widow Jenkins" and "The Office Favorite" are the titles of two big fun producers. The makers, Essanay and Lubin, have left nothing out that will add to the fun or mirth in these two headliners. Pathe's Weekly of Current Events No. 2 will be shown with all the latest happenings brought to your door and a full line of the latest fashions and hair dressings will be shown for the ladies.

As usual the Printy Sisters will be heard in new songs and dances. Tomorrow they will introduce the Texas Tommy by request.

AMERICAN TROOPS ENTERED JUAREZ THROUGH MISTAKE

EL PASO, Texas, Feb. 16.—The American soldiers went into Juarez yesterday morning by mistake and international trouble is threatened as a result. The soldiers were new men here and a company of them attempted to go around from one international bridge to another, on the Mexican side. They were stopped by Mexican guards and the whole town quickly was in arms. Cars have stopped running; no Americans can get across and the river is lined with armed Mexicans doing guard duty. The Americans are members of a battalion of the Eighteenth Infantry who come from Arizona Tuesday.

The soldiers were placed under arrest by the Mexican guards. The Americans were under the command of Lieutenant M. W. Field, who says he made a mistake. The town has quieted down now and the men have been released.

ONE OF THE PRIZES TONOPAH HAS LOST

EVERY EVIDENCE THAT NEW
CAMP OF ANTELOPE WILL
MAKE GOOD.

From sources that can be relied upon without question, the Bonanza learns that there is now every indication that Antelope, in Nye county, is going to make good as a probably prominent producer. Of the eighteen or twenty leasing outfits that are at work, four of them are now in ore that will stand the expense of shipping and treating and yield a handsome profit to the leasers. The Jordan property, on which the first strike of note was made in the district, is getting out its second car of ore and will ship in a few days. The first consignment sent out from this property, a fifty-ton carload, sampled \$244 gross, but the material now being extracted from the mine's workings at a depth of fifty feet is expected to go considerably higher, possibly reaching the \$300 mark.

In trade and traffic Goldfield is reaping many benefits from the new camp and an auto and stage line, besides a freight outfit, are operating between the two places. The new camp now has a population of about 200, and this number is being added to every day.

STRIKING RAILROAD SHOPMAN IS KILLED

BAKERSFIELD, Cal., Feb. 16.—E. A. La Faver, a striking railroad shopman, was shot and instantly killed while standing in the doorway of his room at Mojave late last night. Details received are meager. The slayer escaped.

So far as known here there has been no trouble between striking shopmen and strike-breakers at Mojave.

Attorney H. S. Cook was a passenger for the Capital city this morning on train No. 22.
